To Whom It May Concern:

I am writing in response to your ad for a Managing Editor at the *Editor & Publisher* website.

For over six years I worked in the editorial depart of Philadelphia's number one alternative weekly, The *Welcomat* (now known as *Philadelphia Weekly*) in several capacities: typesetter, copy editor, proofreader, production manager, music editor and associate editor. In addition to this, I was the paper's popular music columnist for 11 years.

As music editor, I built up a staff of music writers. As associate editor, I was responsible for virtually all articles except the cover story, including letters to the editor and all arts coverage.

As far as production, all copy was scanned or types into MS Word, where it was edited, then moved into Quark for layout.

Enclosed is my resume as well as clips of my writing.

Thank you for your consideration. I look forward to your response.

Sincerely,

Peter Brown
